I've been standing underneath this dark old cloud  
Waiting for the sun to shine  
Waiting for the sun to shine in my heart again

I've been throwing a lot of good love away  
Waiting for the sun to shine  
Waiting for the sun to shine in my heart again

Oh, I'm just waiting for the sun to shine  
I'm just waiting for the sun to shine  
I know it will be sometime  
But I'm just waiting for the sun to shine

I've been standing underneath this dark old cloud  
Waiting for the sun to shine  
Waiting for the sun to shine in my heart again

Oh, I'm just waiting for the sun to shine  
I'm just waiting for the sun to shine  
I know it will be sometime  
But I'm just waiting for the sun to shine

I've been standing underneath this dark old cloud  
Waiting for the sun to shine  
Waiting for the sun to shine in my heart again

Oh, I've been throwing a lot of good love away  
Waiting for the sun to shine  
Waiting for the sun to shine in my heart again

Waiting for the sun to shine  
Waiting for the sun to shine  
Waiting for the sun to shine
