It's like jumpin'  
It's like leapin'  
It's like walkin' on the ceilin'  
It's like floatin'  
It's like flyin' through the air

It's like soarin'  
It's like glidin'  
It's a rocket ship you're ridin'  
It's a feelin' that can take you anywhere

So why they call it fallin'?  
Why they call it fallin'?  
Why they call it fallin'?  
I don't know

There was passion  
There was laughter  
The first mornin' after  
I just couldn't get my feet to touch the ground

Every time we were together  
We talked about forever  
I was certain it was Heaven  
We had found

So why they call it fallin'?  
Why they call it fallin'?  
Why they call it fallin'?  
I don't know

But you can't live your life  
Walkin' in the clouds  
Sooner or later  
You have to come down

It's like a knife  
Through the heart  
And it all comes apart  
It's like someone takes a pin to your balloon

It's a hole

It's a cave  
It's kinda like a grave  
When he tells you that he's found somebody new

And why they call it fallin'?  
Why they call it fallin'?  
Why they call it fallin'?  
Now I know

Why they call it fallin'?  
Why they call it fallin'?  
Now I know
