Roulette's spinning,
The wheel of distinction darwin's selected you,
For total extinction
I'm everything
You think is wrong with the world i'm a slutty,
Dirty little girl beaten and scarred and ripped
And mangled
Came for love and stayed for strangle
Crown the serpent, proclaim the king
And now you're worshipping the wrong thing
Where everything is wrong,
And everything is right
And everything is wrong,
And everything is right
The cracks are showing through
Well i've got a message for you
There's something changing inside,
But i know it's not right lick your daughter,
Fuck your son
Inside, i'm the truly holy one
Everything that you should stay away from
Infectious, it's all infected,
The disease is liberated
Lurking just out of sight... we're gonna make it fit in real
tight
A little closer said the spider to the fly
The cracks are showing through
Well i've got a message for you
There's something changing inside,
But i know it's not right i am nothing,
You are nothing,
We are nothing
I am nothing,
You are nothing,
We are nothing...
Nothing at all (x3)
I am nothing,
You are nothing,
We are nothing,
Nothing to steel belted sky (?) (x3)
