See, i've been through this before  
Had about enough, no more  
You think i don't know, but i know  
All my friends been tellin me so

Who you're with, where you go, what you do  
When you're not with me  
And it's not like i'm gonna sit around  
Watin' patiently

Why, oh why you wanna do like that?  
Don't you see it's not the level i'm at  
I told you once, not gonna tell you again  
Quit playin' games with me  
Why you doin' like that?

Late at night you've been makin' those calls  
What is that about? Don't you care at all?  
Don't come here tellin' me lies  
The truth is out, it's no surprise

Who you're with, where you go, what you do  
When you're not with me  
And it's not like i'm gonna sit around  
Watin' patiently

Why, oh why you wanna do like that?  
Don't you see it's not the level i'm at  
I told you once, not gonna tell you again  
Quit playin' games with me  
Why you doin' like that?

Oh, it's way out of control  
Oh, it's time to let you go

Why, oh why you wanna do like that?  
Don't you see it's not the level i'm at  
I told you once, not gonna tell you again  
Quit playin' games with me  
Why you doin' like that?
