Last night out of the blue
Driftin' off to the evenin' news
She said "Honey, what would you do
"If you'd have never met me"

I just laughed, said "I don't know,
"But I could take a couple guesses though"
And then tried to dig real deep,
Said, "Darlin', honestly

"I'd do a lot more offshore fishin'
"Probably eat more drive-thru chicken
"Take a few strokes off my golf game
"If I'd a never known your name
"I'd still be drivin' that old green 'Nova
"I probably never would have heard of yoga
"Be a better football fan
"But if I was a single man
"Alone and out there on the loose
"I'd be lookin' for a woman like you"

Well, I could tell that got her attention
So I said, "Oh yeah, I forgot to mention
"I wouldn't trade a single day
"For a hundred years the other way"
She just smiled and rolled her eyes
'Cause she's heard all of my lines
I said, "C'mon on girl, seriously
"If I hadn't been so lucky

"I'd be shootin' pool in my bachelor pad
"Playin' bass in my cover band
"Restockin' up cold Bud Light
"For poker every Tuesday night, yeah
"I'd have a dirtbike in the she'd
"And not one throw pillow on the bed
"I'd keep cash in a coffee can
"But if I was a single man
"Alone and out there on the loose
"I'd be looking for a woman like you"

She knows what a mess I'd be if I didn't have her here
But to be sure, I whispered in her ear

"You know I get sick deep-sea fishin'
"And you make the best fried chicken
"I got a hopeless golf game
"I love the sound of your name
"I might miss that old green 'Nova
"But I love watchin' you do yoga
"I'd take a gold band on my hand
"Over bein' a single man
"'Cause honestly, I don't know what I'd do
"If I'd never met a woman like you"
