Things like these don't happen to me  
Everything used to be so ordinary  
From the day that I met you everything's changed  
Feel like I'm dreamin' with my eyes open wide  
Baby, you make me feel so good inside  
What you've done to me is kinda hard to explain

Like standin' in Times Square on New Year's Eve  
And no one is around  
Like lookin' up on a summer's day and see  
A snowflake's fallin' down  
Like dancin' on the Brooklyn Bridge  
By a perfect candlelight  
That's how you make me feel, every time  
You say you're mine

It seems just like yesterday  
That I didn't even know your name  
And now I can't imagine life without you here, my dear  
What you do to me, it's something new to me  
What I'm tryin' to say is, every time you're near

It's like standin' in Times Square on New Year's Eve  
And no one is around  
Like lookin' up on a summer's day and see  
A snowflake's fallin' down  
Like dancin' on the Brooklyn Bridge  
By a perfect candlelight  
That's how you make me feel, every time  
You say you're mine

And everyday feels like I'm falling  
In love with you again  
And gets better every time  
And the lights of the city,  
They fall all around me  
They can't make me feel like this  
Cause nothing compares to dancing  
With you on the Brooklyn Bridge

Like standin' in Times Square on New Year's Eve

And no one is around  
Like lookin' up on a summer's day and see  
A snowflake's fallin' down  
Like dancin' on the Brooklyn Bridge  
By a perfect candlelight  
That's how you make me feel, every time  
You say you're mine
