Honey why are you calling me so late?  
It's kinda hard to talk right now  
Honey why are you crying, is everything okay?  
I gotta whisper?cause I can't be too loud

Well, my girl's in the next room  
Sometimes I wish she was you  
I guess we never really moved on

It's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weak

And I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel

It's funny that you're calling me tonight  
And yes I've dreamt of you too  
And does he know you're talking to me?  
Will it start a fight?  
No I don't think she has a clue

Well my girl's in the next room  
Sometimes I wish she was you  
I guess we never really moved on

It's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weak

And I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel

It's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weak

And I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel

And I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel  
Honey why are you calling me so late?
