The Feeling Just Hit
Where did the time get to?

Thirty one days on the road
And one more show to do

I'm standing on the side of the stage about to walk on

I'll give them all that I have
Hold on babe, I'm coming home, yeah

Give me one more day, baby
I'm almost on my way, baby

I know how much you give
I know how much I take

And I know that one more day
Honey feels so long

And I feel it just as deep
Honey just as strong

I know I tend to get lost in this wild world I live in
But nothing out here satisfies

Yeah baby I know what I'm missing
So give me one more day baby

Yeah, I'm almost on my way baby
Yeah give me one more day, baby

Yeah I know how much you give
And I know how much I take

Ohhh, ohhh, ohhh, mmm

Yeah, the feeling just hit, where did the time get to?
I'm staring out at a crowd
But when I close my eyes, all I see is you.

Mmmm

All I see is you, ohhh
Yeah, ohhh, ohhh

Hey Daddy, Where are you?
Hey Buddy, I'm just working... I'm on a big bus
Are you coming home soon?
Yeah buddy, I'll be there tomorrow.
I love you.
I love you too.
We miss you daddy.
