I've spent a lot of time; I've spent a lot of energy  
Set in my mind, set in my way settin' him lonely  
Keeping my space, Holdin' my own keys  
Makin' my way makin' my list of things that I don't need  
Like a woman, or a heartbreak, or a woman

You showed me that thinkin' that way is  
Overrated  
Overrated

I've put a lot of stock  
In keepin' easy  
Changin' my mood, changin' my socks just to suit me  
Limited myself to casual kissin'  
Never had a problem easily dismissin' any woman  
Or complication  
But woman, you showed me that thinkin' that way is  
Overrated  
Overrated

Havin' no pictures to clutter the walls  
Or anyone angry if I forget to call  
Freedom and room and time alone  
I'm telling you, you're all  
Over rated...  
Over rated...

I've spent a lot of time  
I've spent a lot of energy  
Set in my mind set in my way settin' him lonely  
Keeping my space, holdin' my own keys  
Makin my way makin' my list of things that I don't need  
Like freedom room, and time alone, I'm telling you  
they're all
