Your hair looks wonderful  
Your clothes well-kept  
I know you're wide awake  
But I haven't slept yet  
It's almost ten o'clock  
And before you leave  
Make sure the door is lock

Unless you stay for a while  
I know it's getting near  
Why don't you stay for a while?  
It's hard to say I love you, dear  
I love you, dear

And then you leave with smiles  
And you return with tears  
Knowing you, it may come true  
All of my biggest fears  
It's almost twelve o'clock  
And before you leave  
Make sure the door is lock

Unless you stay for a while  
I know it's getting near  
Why don't you stay for a while?  
It's hard to say I love you, dear  
I love you, dear

Your hair looks wonderful  
Your clothes are so well-kept  
I know you're wide awake  
But I haven't slept yet  
I haven't slept

Why don't you stay for a while?  
I know it's getting near  
Why don't you stay for a while?  
It's hard to say I love you, dear  
I love you, dear

My hair looks wonderful

My clothes are so well-kept  
I know I'm wide awake  
And you haven't slept yet  
You haven't slept yet

Why don't you stay for a while?  
I know it's getting near  
Why don't you stay for a while?  
It's hard to say I love you, dear  
I love you, dear
