All my friends have to ask me
Something they didn't understand
How I get all the women
In the palm of my hand
I told them

Treat her like a lady
(Treat her like, you got to, got to treat her like)
Do the best you can do
(Treat her like, you got to, got to treat her like)
You gotta treat her like a lady
And she'll give in to you
Lord, you can see you know what I mean

I know you love her like a woman
(Treat her like) (you got to treat her like)
Soon take advantage of you
(Treat her like) (you got to treat her like)
Let me tell you, my friend
(Treat her like) (you got to treat her like)
That just ain't no substitute
(Treat her like) (you got to treat her like)
You oughta

Oh, you got to love her (love her)
And tease her (tease her)
But most of all you got to please her (please her)
You got to hold her (hold her)
And want her (want her)
And make her feel you'll always need her (need her)
You know a woman (woman)
Is sentimental (woman)
And so easy (woman) to upset (woman)
So make her feel (feel)
That she's for real, yeah (real)
And she'll give you happiness
Whoa-oh strange as it seems
(Treat her like) (you got to treat her like)
You know you can't treat a woman mean
(Treat her like) (you got to treat her like)

So my friend, there you have it
I said it's the easy, simple way
If you fail to do this
Don't blame her if she looks my way
'Cause I'm gonna

Treat her like a lady
So affectionately
I'm gonna treat her like a lady
And she'll give in to me
Lord, you can see you know what I mean
Oh, you gotta
