(Intro)

Eh Eh Eh

Eh Eh Eh

U-Oh U-Oh U-Oh

U-Oh Oh Oh

(Verse 1)

if you ever been in love

then you know just what im talking about

except when you really know you finally found the  
person you want

and you wanna spend the rest of your life

i thought ive been there before

but now that im sure, i finally found somebody who  
cares

ive given my heart and my soul to her

an i just want the whole world to know

(Chorus)

youre the reason that i breathe

i want you to know that

if you were to leave, then i couldnt go back

my life will be incomplete without you here

youre the reason that i breathe

ladies if you got a man

fellas if you got a girl

why dont you tell em that they mean the whole world to

you you you you eh eh eh eh eh

tell em you the reason that i breathe

(Verse 2)

the feeling you get when you call them and they dont  
answer

and you feel like youre whole worlds about to stop stop

and you cant believe somehow, somebody makes you  
feel this way

im talking about

you cant eat (eat)

you cant sleep (sleep)

you cant think at all

(you cant sleep at all)  
their like the puzzle thats been missing in your life  
why dont you look em in they eye

and tell them

(Chorus)

your the reason that i breathe  
i want you to know that  
if you were to leave then i couldnt go back  
my life will be incomplete without you here
