Yeaa
I know you all ready for this one
Put your hands together
its Lee Carr

Girl, close your eyes
Let that rhythm get into you
Dont try to fight it
There aint nothin that you can do
Relax your mind
Lay back and groove with mine
You got to feel the heat
And we can ride the boogie
Share that beat of love

(Chorus)

I wanna rock with you (all night)
Dance you into day (sunlight)
I wanna rock with you (all night)
Were gonna rock the night away

Out on the floor
There aint nobody there but us
Girl, when you dance
Theres a magic that must be love
Just take it slow
cause we got so far to go
When you feel that heat
And were gonna ride the boogie
Share that beat of love

(Chorus)

I wanna rock with you (all night)
Dance you into day (sunlight)
I wanna rock with you (all night)
Were gonna rock the night away
