Yeah yeah yeah yeah yeah
Talk to me
Yeah yeah yeah yeah yeah
Talk to me
Yeah yeah, its Lee Carr

I knew it when we met
I would never get the way that you made me feel
Charger in my phone, 7 in the mornin, conversation
overkill
I thought I made you happy from the way you laughed,
and I was totally unaware
It was just the beginning of what we would share

Anytime I was hangin out it was with you
You wanted me girl and I wanted you too
Whatever you needed, whatever you wanted baby, you
know Id do
The world in the palm of your hands, youre givin that
up
Runnin away from love
Now its back to the beginning, what are we gonna do?

Girl talk to me, tell me what is on your mind
Cuz I dont want to leave all this love behind
Cause I dont wanna live this life here alone
If you see me callin, girl pick up the phone
Make me understand
Talk to me

Yeah yeah yeah yeah yeah
Talk to me

I get the feelin you dont even understand
That I cant stand to see you with another man
Cause youre the best thing that happened to me, it
feels the best when you give it to me
Oh girl
And when you see me with them other chicks it kills you
But you dont wanna sit, its over whatchu gon do?
I dont wanna be the one to walk away from you, oh
Anytime I was hangin out it was with you

You wanted me girl and I wanted you too
Whatever you needed, whatever you wanted baby, you
know I'd do
The world in the palm of your hands, you're givin' that
up
Runnin' away from love
Now it's back to the beginning, girl you know that we
ain't through

Girl talk to me, tell me what is on your mind
Cuz I don't want to leave all this love behind
Cause I don't wanna live this life here alone
If you see me callin', girl pick up the phone
Make me understand
Talk to me

And tell me what I did to you that made you wanna
leave (Talk to me)
Girl I kept it real with you, and this is how you wanna be
(Talk to me)
I never thought that you would do me the way that you
did, you're so confusing
Baby just talk to me, oh
Woahhhh

Girl talk to me, tell me what is on your mind
Cuz I don't want to leave all this love behind
Cause I don't wanna live this life here alone
If you see me callin', girl pick up the phone
Make me understand
Talk to me

Girl talk to me, tell me what is on your mind
Cuz I don't want to leave all this love behind
Cause I don't wanna live this life here alone
If you see me callin', girl pick up the phone
Make me understand
Talk to me
