Have you ever been tired of people asking  
How you doing? And you say Im taking it day by day  
Everywhere I go I feel like people laughing.  
Im so stupid cause I let my good girl get away  
My life aint got no better, so you must not've gotten my  
letter  
So starting today, Im letting go of my mistakes...  
Whatever you wanna say, baby Im listenin cause I  
know...

I know that I hurt, and I dont deserve you  
And you say its curtains but No...  
I just want one more, give me and encore  
Don't walk out that door baby  
Call the paramedics cause baby I wont make it  
If u try to tell me you dont wanna be my baby  
So dont say that to me  
If we cant be the way, we used to be.....

You complain about the studio had me stressin  
Weneva we playin my music had you guessin  
If im out there on the low  
When all you wanted to know was when Im comin Home  
Now Im like Oh Oh got me lookin Crazy  
Oh Oh Oh I aint got my baby  
Just tell me whatever you want me to be.  
Baby whatever you need Shawty Im listenin

Cause I know,I know that I hurt you, and I dont deserve  
you  
And you say its curtains but No...  
I just want one more, give me and encore  
Don't walk out that door baby  
Just call the paramedics cause baby I wont make it  
If you try to tell me you dont wanna be my baby  
So dont say that to me  
If we cant be the way, we used to be.....

Aww Ooo Woah Woah Woah right here with me why  
cant we be what we used to be  
Woah Woah Woah Woah I dont understand it cant

we be like we used to be  
Yea OOO Woah woah woah woah woah woah woah  
I know that I hurt you and I dont deserve you  
I know you say its curtains but no...  
I just want one more give me and encore dont walk out  
that door baby  
Just call the paramedics cause baby I wont make it  
If you try to tell me you dont wanna be my baby  
So dont say that to me if we cant be the way we used to  
be

I know that I hurt you and I dont deserve you...  
I just want one more give me and encore dont walk out  
that door baby  
Just call the paramedics cause baby I wont make it  
If you try to tell me you dont wanna be my baby  
So dont say that to me if we cant be the way we used to  
be
