[Verse 1:]

There she go again looking preave[?]
She's the kind of girl that make you stop and stare
And I wonder who got her affaction
Cus I know homie wouldn't ever share

[Hook:]

Do you know were you can like that cus I need one.
I wish that I can da store that makes her cus the what I
need.
I feel she like a part of me and I don't even know she...
she's the one for me (oh)

[Chorus:]

Tell me where I can find her
I be lookin around
I need someone just like her
Tell me were she be found

[Verse 2:]

There she goes again lookin preave[?]
She da kind of gir that may stop and stare
And I wounder who got her affaction
Cus I know that homie don't wanna share

[Hook:]

Do you know were you can like that cus I need one.
I wish that I can da store that makes her cus the what I
need.
I feel she like a part of me and I don't even know she...
she's the one for me (oh)

[Chorus: x2]

Tell me where I can find her
I be lookin around
I need someone just like her
Tell me were she be found
