I found this faded picture  
Of you and me on Lake Michigan  
You were smiling,  
The wind was blowing in your hair  
I think it's been around 5 years  
And everything and nothing's changed  
God, I wish that you were here

I know I should've called  
I know I should've stayed  
I should've said a lot of things  
I hope it's not too late

Dear Isabelle  
Been thinking about you  
Dear Isabelle  
So lonely without you  
I pretended I was doing well  
But without you it's been hell  
Dear Isabelle

Ooh ooh ooh

Sometimes I'm not good with words  
But you knew that so I wrote this verse  
In hopes that it would  
Someday reach your ears  
And I still wonder where you are  
But it doesn't matter cause it's still too far  
The lake has never looked so clear

I know I should've called  
I know I should've stayed  
I should've said a lot of things  
I hope it's not too late

Dear Isabelle  
Been thinking about you  
Dear Isabelle  
So lonely without you  
I pretended I was doing well  
But without you it's been hell

Dear Isabelle

It's hard for me to write this  
Is it hard for you to know that I still care  
Would it kill you to forgive me  
Come on, Isabelle  
I know that you're out there

I know I should've called  
I know I should've stayed  
I should've said a lot of things  
I hope it's not too late

Dear Isabelle  
Been thinking about you  
Dear Isabelle  
So lonely without you  
I pretended I was doing well  
But without you it's been hell  
Dear Isabelle

Oooh Oooh Oooh
