Ba da da da rad da ran da da

There used to be a greying tower alone on the sea  
You became the light on the dark side of me  
Love remained a drug that's the high and not the pill

But did you know  
That when it snows  
My eyes become large and  
The light that you shine can be seen

Baby,  
And I compare you to a kiss from a rose on the grey  
Ooh, the more I get of you  
The stranger it feels, yeah  
And now that your rose is in bloom  
The light hits the gloom on the grey

Ba da da da rad da ran da da  
Ba da da da rad da ran da da

And there is so much a man can tell you  
So much he can say  
You remain my power, my pleasure, my pain, baby  
To me you're like a growin' addiction that I can't deny  
Won't you tell me is that healthy, babe

Did you know  
When it snows  
My eyes become large and  
The light that you shine can be seen

Baby,  
And I compare you to a kiss from a rose on the grey  
Ooh, the more I get of you  
The stranger it feels, yeah  
And now that your rose is in bloom  
The light hits the gloom on the grey

Ba da da da rad da ran da da  
Ba da da da rad da ra da da

I've been kissed by a rose on the grey  
I've been kissed by a rose on the grey  
If I should fall  
I've been kissed by a rose on the grey

There is so much a man can tell you  
So much he can say  
You remain my power, my pleasure, my pain  
To me you're like a growin' addiction that I can't deny  
Won't you tell me is it healthy, babe

Did you know  
When it snows  
My eyes become large and  
The light that you shine can be seen

Baby,  
And I compare you to a kiss from a rose on the grey  
Ooh, the more I get of you  
The stranger it feels, yeah  
And now that your rose is in bloom  
The light hits the gloom on the grey  
The more I get of you  
The stranger it feels, yeah  
And now that your rose is in bloom  
The light hits the gloom on the grey

Ba da da da rad da ran da da  
Ba da da da rad da ra da da

Now that your rose is in bloom  
The light hits the gloom on the grey
