It's really good to see your face,  
It's been too long  
I count the hours everyday  
Awaiting for the nightfall  
And all that I can see is you and me  
Until the sun comes up  
And until it dawns...

So close your eyes and fall asleep  
I'll be a secret only you can keep  
Every night I see your smile  
And I hold you once again  
By the way, I'm only dreaming,  
Ooh, no,  
I'm only dreaming...

Remember when the sun would shine  
And would shine just for you  
And now I have to close my eyes,  
I keep running from the truth  
That reality is catching up with me  
And trying to wake me up  
But until it does...

Oh, no, no,  
I'll close my eyes and I'll fall asleep  
I'll be a secret only you can keep  
Every night I see your smile  
And I hold you once again  
By the way, I'm only dreaming...

I'm only dreaming,  
Oh, no, no, ooh,  
I'm only dreaming, I,  
I'm only dreaming,  
Oh, no, oh, no...

Everytime I see your smile  
And everytime I see your,  
Nanana, dadada, ooh...

Close your eyes and fall asleep...
