Hmm, hmm...

I've been a fool, I tripped and fell  
And there was nothing I could do  
Forgot what I had,  
Thought I had something to prove,  
Oh, what a fool...

But I couldn't change,  
Put my hand into flame  
That was the only way I'd ever see  
Some light come back again  
Whatever you've got for me,  
I take it completely

If it's love, if it's hate, give me more,  
I can take what you're feeling,  
Oh, what you're feeling  
Let me say it all over again  
Give me fire, give me rain,  
I can take all the pain if I hurt you,  
I don't wanna hurt you  
Just wanna say it all over again

Oh, now, I think about the nights  
I let you down  
I remember all the times  
You helped me out  
I'm sorry now...

You're slipping away  
'Cause everything breaks  
All I want to do is fix it up  
And hope it's not too late  
Whatever you got for me...

If it's love, if it's hate, give me more,  
I can take what you're feeling,  
Oh, what you're feeling  
Let me say it all over again  
Give me fire, give me rain,  
I can take all the pain if I hurt you,

I don't wanna hurt you  
Let me say it all over again

Oh, I couldn't see it,  
Oh, no, no, no,  
Oh, that the only one I needed  
Was there all along  
Oh, and for the first time  
I know it's gonna be the last time  
I'm gonna give you all I got to give  
And never hold it back...

Oh, if it's love, if it's hate, give me it all,  
I can take what you're feeling,  
I know what you're feeling  
Let me say it all over again  
Give me fire, give me rain,  
I can take all the pain if I hurt you  
And I don't wanna hurt you  
Just let me say it all over again

If it's love, if it's hate, give me more,  
I can take what you're feeling,  
Oh, what you're feeling,  
What you're feeling,  
Let me say it all over again  
If it's fire, if it's rain,  
I can take all the pain that you're feeling  
'Cause I don't wanna hurt you  
Just let me say it all over again  
And again and again

You gotta gimme some love,  
Oh, you gotta gimme some love  
Give me some love  
And I'll say it all over again  
And again and again  
Ooh, no, oh, no, no, no, no, no,  
Oh, you gotta gimme some love  
And I'll say it all over again, oh...

I'm gonna give you all I got to give,  
I give you all I got to give, oh,  
Hmm, I know you will...
