"Stay"

Your hair looks wonderful
Your clothes well kept
I know you're wide awake
But I haven't slept yet
It's almost ten o'clock
And before you leave
Make sure the door is locked

Unless you stay for a while
I know it's getting near
Why don't you stay for a while
It's hard to say I love you dear
I love you dear

And then you leave with smiles
And you return with tears
Now you have made come true
All of my biggest fears
It's almost twelve o'clock
And before you leave
Make sure the door is locked

Unless you stay for a while
I know it's getting near
Why don't you stay for a while
It's hard to say I love you dear

Your hair looks wonderful
Your clothes are so well kept
I know you're wide awake
But I haven't slept yet
I haven't slept

Why don't you stay for a while
I know it's getting near
Why don't you stay for a while
It's hard to say I love you dear
I love you dear

My hair looks wonderful

My clothes are so well kept
I know I'm wide awake
And you haven't slept yet
You haven't slept yet

Why don't you stay for a while
I know it's getting near
Why don't you stay for a while
It's hard to say I love you dear
I love you dear
