That's life, that's what all the people say.
Riding high in April,
Then shot down in May
But I know I'm gonna change that tune,
When I'm back on top in June, oh.

That's life, and as funny as it may seem
Some people get their kicks,
Stompin' on a dream
But I don't let it, don't let it get me down,
'Cause this fine ol' world it keeps spinning around

I've been a puppet, a pauper, a pirate,
A poet, a pawn and a king.
I've been up and down and over and out
But I know one thing:
Each time I find myself, flat on my face,
I pick myself up and get back in the race.

That's life, I can't deny it
I thought of quitting baby,
But my heart won't buy it.
And if I didn't think it was worth one single try,
I'd jump right on a big bird and I'd fly

I've been a puppet, a pauper, a pirate,
A poet, a pawn and a king.
I've been up and down and over and out
But I know one thing:
Each time I find myself laying flat on my face,
I just pick myself up and get back in the race

That's life, I can't deny it
Many times I thought of cutting out
But my heart won't buy it
But if there's nothing shakin' come this here July
I roll myself up in a big ball and die
