Looks like we made it  
Look how far we've come my baby  
We might've took the long way  
We knew we'd get there someday  
They said, "I'll bet they'll never make it"  
But just look at us holdin' on  
We're still together still goin' strong  
(You're still the one)  
You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
(You're still the one)  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night  
Ain't nothin' better  
We beat the odds together  
I'm glad we didn't listen  
Look at what we would be missin'  
They said, "I'll bet they'll never make it"  
But just look at us holdin' on

We're still together still going strong

(You're still the one)

You're still the one I run to

The one that I belong to

You're still the one I want for life

(You're still the one)

You're still the one that I love

The only one I dream of

You're still the one I kiss good night

You're still the one

(You're still the one)

You're still the one I run to

The one that I belong to

You're still the one I want for life

(You're still the one)

You're still the one that I love

The only one I dream of

You're still the one I kiss good night

Still the one
