CHORUS:

Can you hear me? (yeah) Can you hear me? (yeah)  
I know you hear me (yeah) Tell me, don't you hear me  
(yeah)  
Hey hey (yeah) it's all right (yeah) mmm hmm

Everybody is feelin' fine  
Don't nobody leave, we're gonna have a good time  
We're gonna shake 'em up till early morn  
I'm here to tell you that we're gonna have some fun,  
now

(chorus)

If you want me, you can take off your shoes  
Jump about & shout about, you got nothin' to lose  
Everybody come hear, one by other one  
I'm here to tell you that we're gonna have some fun,  
now

(chorus)

(spoken):

I wonder if you can hear me, Charlie. Can you hear me?  
Ah we're gonna shake 'em up till the broad daylight!

Can you hear me? (yeah) Can you hear me? (yeah)  
Hey hey (yeah) I know you hear me (yeah)  
...& fade
