Heaven helped a man who is confused as I
(Confused)
She keeps me guessin', oh me, oh my
(Confused)

(One minute I'ma happy, next minute I'ma blue)
Confusion, baby, I don't know what to do
I don't know whether I'ma goin' or comin'
I just don't understand this woman
Confusion, baby
(Confusion)

Won't be the man that has a peace of mind
Won't be the fool like me worryin' all the time
(Confused)

(I should feel blessed for bringin' back you)
Confusion, baby, I'ma so confused
(Confused)
I don't know whether I'ma goin' or comin'
I just don't understand this woman

Confusion, baby
