Go-go, go-go girl, you drive me wild  
Shake it, shake it, shake it, child  
Eyes wide open but you see no one

I'ma be there  
When the music comes  
Oh, shake it, baby

Go-go, go ahead  
And work your show  
Till you can't work no more  
Go-go girl, you know  
You're looking good

I see you wink your eye  
Winking at every guy  
Go-go girl, don't you realize

That I'm waiting for you  
Whenever you get through  
Oh, ooh, baby

Oh, you blow my mind, baby

Go-go, go-go girl, I like your style  
Oh, shake it, mama  
(Shake it, shake it, shake it, child)

You're not just working  
But you're having fun  
Oh, but guess what

I'ma be here  
When the morning comes  
I'ma be right here  
Till the morning comes

Go-go, I see the  
Beat is getting to you  
You're feeling it  
Through and through  
Go-go girl, you know

You're knocking them out

I'm waiting here patiently  
Till you can be alone with me  
And that's the way it's gonna be

'Cause I'm waiting for you  
Whenever you get through  
Oh, ooh, baby

One, two, three  
Baby, you're for me

Go-go, oh  
You're looking good too, mama  
Shake it, shake it, shake it, child

I'ma be right here  
Till the morning comes  
Ain't nobody getting up or down
