I can't weep, I can't eat  
Since you walked out on me  
Holy smoke, what you doing to me, yeah

I can't eat, I can't sleep  
Since you walked out on me, yeah  
Holy cow, whatcha doing, child, child

(Holy cow, whatcha doing, child)  
Whatcha doing, whatcha doing, child  
(Holy smoke, girl, it ain't no joke)  
No joke (hey, hey, hey)

Hurts my bones, the job I lost  
Since you walked out on me, yeah  
Holy smoke, what you doing to me, yeah

Walking the ledge, my nerves on edge  
Since you walked out on me, yeah  
Holy cow, whatcha doing, child, child

(Holy cow, whatcha doing, child)  
Whatcha doing, whatcha doing, child  
(Holy smoke, girl, it ain't no joke)  
No joke (hey, hey, hey)

I can't weep, I can't eat  
Since you walked out on me, yeah  
Holy smoke, whatcha doing to me, yeah

I can't eat, I can't sleep  
Since you walked out on me, yeah  
Holy cow, whatcha doing, child, child

(Holy cow, whatcha doing, child)  
Whatcha doing, whatcha doing, child  
(Holy smoke, girl, it ain't no joke)
