Ride your pony  
Get on your pony and ride  
All righty

Ride your pony  
Get on your pony and ride  
Oh, you're riding high  
Now stay in the saddle

(We're gonna ride)  
Way out West where  
The grass is green (ride)  
California, you know what I mean

(Ride) New York City  
And a Detroit too (ride)  
On to New Orleans  
The home of the blues

Ride your pony  
Get on your pony and ride  
All righty

Ride your pony  
Get on your pony and ride  
Oh, you're riding high

Now stay in the saddle  
Stay in the saddle

(Pull out your pistol, yeah)  
Now get ready, now shoot  
Shoot, shoot

Ride your pony  
Get on your pony and ride  
All righty

Ride your pony  
Get on your pony and ride  
Oh, you're riding high

Stay in the saddle  
Stay in the saddle

(We're gonna ride) to St.Louis  
Where the girls are pretty  
(Ride) Atlanta, GA  
What a swinging city (ride)

Got to make Chicago  
That's for sure (ride)  
Move on to Baltimore

Ride your pony  
Get on your pony and ride  
All righty

Ride your pony  
Get on your pony and ride  
Oh, you're riding high

Stay in the saddle  
Stay in the saddle

(Pull out your pistol, yeah)  
Now get ready, now shoot  
Shoot, shoot

(Ride, ride)  
All right now  
Stay in the saddle  
Stay in the saddle

(Ride, ride)...
