Now is the time for all good men  
To get together with one another  
Iron out the problems and iron out their quarrels  
And try to live as brothers

Try to find the peace within  
Without stepping on one another  
Do respect the women of the world  
Just remember we all had mothers

Make this land a better land  
Than the world in which we live  
And help each man be a better man  
With the kindness that we give

I know we can make it  
I know darn well we can work it out  
Yes, we can, I know we can, can  
Yes, we can, can, why can't we?  
If we wanna, yes, we can, can

I know we can make it work  
I know we can make it, try  
Yes, we can, I know we can, can  
Yes, we can make lot of money  
Yes, we can, I know we can, can

Take care of all the children  
the children of the world  
'Cause they're our strongest hope for the future  
The little bitty boys and girls

Make this land a better land  
Than the world in which we live  
And help each man be a better man  
With the kindness that we give

I know we can make it  
I know darn well we can work it out  
Yes, we can, I know we can, can  
Yes, we can, can, why can't we?  
If we wanna, yes, we can, can

I know we can make it work  
I know we can make it if we try  
Yes, we can, I know we can, can  
Yes, we can make lot of money  
Yes, we can, I know we can, can

Make this land a better land  
Than the world in which we live  
And help each man be a better man  
With the kindness that we give

I know we can make it  
I know darn well we can work it out  
Yes, we can, I know we can, can  
Yes, we can, can, why can't we?  
If we wanna, yes, we can, can

I know we can make it work  
I know we can make it if we try  
Yes, we can, I know we can, can  
Yes, we can make lot of money  
Yes, we can, I know we can, can

Yes, we can, I know we can, can  
Yes, we can, can, why can't we?  
Yes, we can, can

Yes, we can, I know we can, can  
Yes, we can, can, why can't we?  
Yes, we can, can

Yes, we can, I know we can, can  
Yes, we can, can, why can't we?  
Yes, we can, can

Yes, we can, I know we can, can  
Yes, we can, can, why can't we?  
Yes, we can, can, yes we can
