Got a three second memory,  
I live for now 'n nobodys reserve to be,  
Yeah that's me,  
I got a three second memory,  
Whatever you tell me....it's gone in three,  
Yeah Cest la vie.

Well I never get the feeling,  
There's anything that I'm missing,  
I'm way too busy living my life, it's such a strife,  
I don't try to think about,  
The ins or the outs,  
I'm way too busy trying to figure out the here and now,  
Yeah what's that all about.

If I gotta choose,  
I get all confused,  
Haven't got a clue, ahhh of anything that's new,  
Or who the hell is who,  
If I gotta choose,  
I get all bemused,  
The moment I lose, the time to just muse, just be  
amused.

I never get the feeling,  
There's anything that I'm missing,  
I'm way to busy living my life, life is such a strife,  
I don't try to think about,  
The ins or the outs,  
I'm way too busy trying to figure out the here and now,  
Yeah what's that all about.

I got no plans,

For my life span,  
Whenever I can, ahhh I flim and I flam,  
Yeah I sing and I yang,  
I got no plans,  
'cause I don't understand,  
Whenever I can, Oooh I sing a song that I sang,  
The one I just began.

I never get the feeling,  
There's anything that I'm missing,  
I'm way too busy living my life, it's such a strife,  
I don't try to think about,  
The ins or the outs,  
I'm way too busy trying to figure out the here and now,  
Yeah what's that all about...

Dooo, do do, dooo dooo dooo dooo dooo, Oooh  
Dooo, be do, do be do be do, Oooh.

I never get the feeling,  
There's anything that I'm missing,  
I'm way too busy living my life, life is such a strife,  
I don't try to think about,  
The ins or the outs,  
I'm way too busy trying to figure out the here and now,  
Yeah what's that all about....

Dooo, be do, do le loo le looo, Oh yeah,  
Dooo, be do, mm hmm, do be do be do,  
La la la la la la.....
