This is the Land of your Forefathers,
This is the land of your history,
And you may travel over corners,
But you'll always come back to me.

And the man said, oh the man said,
Yes the man said to me, ohhhh the man said,
Yes the man said, Yess the man said to me,
He said, He said, ohhhh woowoow woowoow
This is what he said to me, ohhhhh This is what he said
to me,
Don't you worry son the hills and mountains you look
apon
It's in your Blood It's in your soul
And it will be till you grow old, Take my hand and I'll
show you a land waaaa
aaaaaaaaaaales, take my hand and I'll show you the
land they call waaaaaaaaaaales,
aaaaaaaaaaaaaaaaaaaaaaaaalllles, waaaaaaaaaaales,
Good night.
