Well he Earth is a special place  
its the 3rd rock from the sun  
and if we're to preserve the human Rase  
There's a Few things that need to be done  
And how could that be worse as we spin around and  
around  
A paridise in a universe expanding at the speed of  
sound

(Zooming Pitch)

Yeah Well the earth is a special place its the 3rd rock  
from the sun  
And if we're to preserve the human rase  
There's a few things that need to be done  
and how could that be worse as we spin around and  
around  
A paridise in a universe Expanding at the speed of  
sound

Yeah

La-la-la-la-la-la-la-la

la-la

la-la-la-la-la

Oh

Well the earth is a special place its the 3rd rock from  
the sun  
And if we're to preserve the human rase  
There's a few things that need to be done  
and how could that be worse as we spin around and  
around

A paridise in a universe Expanding at the speed of  
sound

Yeah

La-la-la-la-la-la-la-la

la-la

la-la-la-la-la

Well the earth is a special place its the 3rd rock from  
the sun  
And if we're to preserve the human rase  
There's a few things that need to be done  
and how could that be worse as we spin around and  
around

A paradise in a universe Expanding at the speed of  
sound  
La-la-la-la-la-la-la-la
