I'm singing about, I love you girl  
I'm singing about

Sometimes, when late at night when I wake up  
And I find you there  
I thank god 'cause he answered all of my prayers  
Hey there's plenty of sunshine  
To follow the rain  
I know when you're mine, baby  
Why should we complain

(You're everything)  
(You're my everything)  
(Baby)

You're so fine, glad you're mine  
My baby, baby

You said I am the brightest and  
All of your  
Honey, I said thanks for the lifeliness  
And love so many ways

Plenty of sunshine  
To follow the rain  
I know when you're mine, baby  
Why should we complain

(You're everything)  
(You're my everything)  
(Baby)

My baby  
Yes you're my...  
Glad your mine, sweet baby, baby

Ohhh, girl girl girl  
Such a  
Ohh baby, my baby  
And I'm glad you're my baby  
My baby, my baby  
You're...

I said you're...  
My baby, baby  
Oh baby baby baby baby  
I love you little girl
