Lyrics: Carry N Music: Carry N

You believe, that I've changed your life forever  
And you're never gonna find another somebody like  
me.  
And you wish, you had more than just a lifetime to give  
back all  
I've given you and that's what you believe.  
But I owe you the sunlight in the morning  
And the nights of honest lovin that time can't take  
away.  
And I owe you more than life now, more than ever  
I know that it's the sweetest debt I'll ever have to pay.

I'm amazed when you say it's me you live for  
You know that when I'm holding you you're right where  
you belong  
And my love, I can't help but smile with wonder.  
When you tell me all I've done for you 'Cause I've  
known all  
Along. But I owe you the sunlight in the morning  
And the nights of honest loving that time can't take  
away.  
And I owe you more than life now, more than ever  
I know that it's the sweetest debt I'll ever have to pay.

'Cause I owe you the sunlight in the morning  
And the nights of honest loving that time can't take  
away. And  
I owe you more than life now, more than ever  
I know that it's the sweetest debt I'll ever have to pay.
