If tomorrow all the things were gone
Iâ'd worked for all my life
And I had to start again
with just my children and my wife

Iâ'd thank my lucky stars
to be livin here today
Â' Cause the flag still stands for freedom
and they canâ't take that away

And Iâ'm proud to be an American
where at least I know Iâ'm free
And I wont forget the men who died
who gave that right to me

And I gladly stand up
next to you and defend her still today
Â' Cause there ainâ't no doubt I love this land
God bless the USA

From the lakes of Minnesota
to the hills of Tennessee
Across the plains of Texas
From sea to shining sea

From Detroit down to Houston
and New York to L.A.
Well there's pride in every American heart
and its time we stand and say

That Iâ'm proud to be an American
where at least I know Iâ'm free
And I wont forget the men who died
who gave that right to me

And I gladly stand up
next to you and defend her still today
Â' Cause there ainâ't no doubt I love this land
God bless the USA

And Iâ'm proud to be and American
where at least I know Iâ'm free

And I wont forget the men who died
who gave that right to me

And I gladly stand up
next to you and defend her still today
Â' Cause there ainÂ't no doubt I love this land
God bless the USA
