You believe that I've  
changed your life forever  
And you're never gonna find  
another somebody like me  
And you wish you had more than  
just a lifetime to give back all  
I've given you and that's what you believe

(chorus)

But I owe you (I owe you)  
the sunlight in the morning  
And the nights of all this loving  
that time can't take away  
And I owe you more than  
life now more than ever  
I know that it's the sweetest debt  
I'll ever have to pay

I'm amazed when you say

it's me you live for  
You know that when I'm holding you  
you're right where you belong  
And my love I can't help  
but smile with wonder  
When you tell me all I've done for you  
'cause I've known all along

(chorus)

'Cause I owe you (I owe you)  
the sunlight in the morning  
And the nights of all this loving  
that time can't take away  
And I owe you (I owe you)  
more than life now more than ever  
I know that it's the sweetest debt  
I'll ever have to pay
