Beating My wings  
Against the window pane  
I look at you  
And I'm drawn to your flame  
I want to get so close  
So close

I'm like a crazy woman  
On a mission of dreams  
Being with you's  
An obsession with me  
I want to get so close  
So close

If you ever let me into  
That heart of yours  
You will find the kind of love  
Most people spend a lifetime  
Looking for

Maybe you'll want me  
Maybe you won't  
But I've got to try  
'Cause I'll die I don't  
I want to get so close  
So close

I'm into the moment  
And out of control  
Out on the ledge  
With my heart in my toes  
I want to get so close  
So close  
Repeat Chorus
