Strawberries cherries and an angel's kiss in spring
My summer wine is really made from all these things

I walked in town on silver spurs that jingled to
A song that I had only sang to just a few
She saw my silver spurs and said let's pass some time
And I will give to you summer wine oh summer wine

Strawberries cherries and an angel's kiss in spring
My summer wine is really made from all these things
Take off your silver spurs and and help me pass the
time
And I will give to you summer wine oh summer wine

My eyes grew heavy and my lips they could not speak
I tried to get up but I couldn't find my feet
She reassured me with an unfamiliar line
And then she gave to me more summer wine oh
summer wine

Strawberries cherries and an angel's kiss in spring
My summer wine is really made from all these things
Take off your silver spurs and and help me pass the
time
And I will give to you summer wine mhm summer wine

When I woke up the sun was shinin' in my eyes
My silver spurs were gone my head felt twice its size
She took my silver spurs a dollar and a dime
And left me craving for more summer wine oh summer
wine

Strawberries cherries and an angel's kiss in spring
My summer wine is really made from all these things
Take off your silver spurs and and help me pass the
time
And I will give to you my summer wine oh summer wine
