We've been takin' turns starin' at each other all night  
Our eyes are sayin' things, our bodies just won't deny  
Now there's only one thing on my mind  
It's gettin' you in these arms of mine  
'Cause once we touch baby we both know

It won't be touch and go  
It's gonna be touch and go crazy  
It's gonna be touch and go out of my mind  
There'll be no holdin' back in the heat of the night  
When we finally touch, we're gonna ignite  
Oh baby, it's gonna be touch and go crazy

In this crowded room, girl it's just too risky to dance  
'Cause once I'm holdin' you this thing could get out of  
hand  
There's no controllin' feelings this strong  
We've gotta go where we're all alone  
'Cause once we touch baby we both know

It won't be touch and go  
It's gonna be touch and go crazy  
It's gonna be touch and go out of my mind  
There'll be no holdin' back in the heat of the night  
When we finally touch, we're gonna ignite  
Oh baby, it's gonna be touch and go crazy, oh yeah

Oh, it won't be touch and go  
It's gonna be touch and go crazy  
It's gonna be touch and go out of our mind  
There'll be no holdin' back in the heat of the night  
When we finally touch, we're gonna ignite  
Oh baby, it's gonna be touch and go crazy
