Is it true what they say
'bout you and her
Is it true what they say
'bout you and her
what's this rumour I hear about
that's been spreadin' over town
Is it true what they say
'bout you and her

If this turns out to be true
I should have heard of that from you
Not gonna be your fool for long
I still know my right from wrong

Don't want to lose control
But lately I've been feelin'
So unusual
You can choose to go
But then I realize I don't want you anymore

They say they saw you there last night
They say you were coming in
With your arms around her
I don't wanna picture this

But if this turns out to be true
I should have heard of that from you
Not gonna be your fool for long
I still know my right from wrong

Don't wanna lose control
But lately I've been feelin'
So unusual
You can choose to go
But then I realize I don't want you anymore

You'd better tell me now
I'm sick of acting dumb
You'd better tell me now
You'd better tell me now
Tell me before I go

Before I go

Is it true?

Is it true what they say
about you and her
