There's another great one!  
Livin' a life of a crazy

Chillin' out lookin' fresh at  
the bar  
Partyin' all night drinkin' all  
night  
Chuun Chuun!

[chorus]  
Hey eh!

i count to three and the  
club be jumpin'

movin and the club be jumpin'

Tipsy tipsy how im bout' to get  
Chillin',dancin' but no

Its cool that i dont like  
smokin' that  
Come and drink thats all i  
need and lemme tell you  
Girls and boys see chenelle  
on the run  
Makin' noise wont stop till

What i do is my decision  
Im like a physical sinical  
dover

Turn the lights on and i  
hear my name called out  
Once again the mike is  
passed to me and im  
like "what?"  
Mc's be pushin' and sayin'  
go give it a shot  
There i go again  
singin' till the nights out  
Feelin' the rhythm in and  
dreaming like im hypnotized  
Even if its the kind of  
feeling is that nothing i  
cant describe  
Rolling round, drinkin' and  
jumpin'  
Till im bout' to pop  
when the night is over  
somebody call me a cab!

[chorus]  
Hey eh!

movin' and the club be  
jumpin'
