My my my my my my
my my first love...
My my my my my my
my my first love...

Do u remember..
Yr first hello

When both yr faces
glowed
Both of u would smile
and be too shy

But couldn't wait
to meet again
(Yes I remember)

Yes I remember
the first kiss

Lyin' on my
bedroom floor
Hopin' no one would
walk through my door

He said
he'd never let me go
(Yes I remember)

And looking back
I don't regret
it was the best time

Was like my first toy,
my first doll
Yes I loved that boy...

My my my my my my
my my first love...
My my my my my my
my my first love...

I recalled the nite
underneath the stars

It was so romantic,
he would never ever
break my heart

Nothing could
tear us apart no!

That was when we were
do anything
It was so amazing
Baby we were crazy and

We were young and
Wasn't it fun?

I was so in love and
so deep in love

And looking back
I don't regret
it was the best time

Was like my first toy,
my first doll
Yes I loved that boy.....

My my my my my my
my my first love...
My my my my my my
my my first love...
Put yr hands up

Put yr hands up
if you love bein' in love
