Alright
Che'nelle got a story for you
For the ladies
Sing it with me now

Chorus:

Refren:

I fell in love with the DJ, DJ
Sneakin' 'round the back door
Bangin' 'til we hear somebody say
Ooh, ooh, ooh

I fell in love with the DJ, DJ
Gettin' intoxicated every weekend
He make my heart go
Ooh, ooh, ooh

Walked into the club with my partner
Met, talked, sayin' hello to everyone there
Looked to my right, Mr. DJ
Blew me a kiss, I trip and I fell

He call me over knowin' that I'm taken
So I went over thinkin' he's just a friend
One thing led to another
My boyfriend put two and two together

Chorus

Refren

Rough and tough man, Mr. DJ
I can't say no when he whispers, "My place"
Got into my ride 'til my man go home
I'll be back as soon as I take my girls home
I rode up to Mr. DJ's house
He stood at the door only in his towel
One thing led to the other
He ripped my clothes up all together

Chorus

Refren

Oh no, did I tell you how the story ends?
When my boyfriend followed me one night, oh no, did I tell you?
Came through the door with a knife in his hands
I turned around screamin' shocked and said that we were just friends

But I was trippin' on my words
I was makin' it so obvious
But thank the Lord that I had a CD in my hand
Just droppin' off my new tracks, sweetie
Chorus x 2
Refren x2

Yeah, I got a man but Mr. DJ, ooh
But the DJ, Mr. DJ
Make my heart go
Ooh, ooh, ooh
