Running, running, running a muck.  
Running, running, running a muck.  
Running, running, running a muck.  
Ohh... Ohh...

Running, running, running a muck.  
Running, running, running a muck.  
Running, running, running a muck.  
Ohh... Ohh...

Puttin' on my make up, gettin' my dress  
Gettin' my drink on, lookin' fresh  
People are sayin',... Aye!  
You know where to find me til the AM.  
I'm that chick that's lettin' her hair down.  
I'm that chick everyone wants to be around.  
If you don't like it, man stop hatin'!  
But if you like it, you know where I'm waitin'!

Don't wanna be good, cause I'm a be bad!  
I wanna let loose, don't wanna be sad!  
I don't care what people say cause I been workin' all  
day!

Running, running, running a muck.  
Running, running, running a muck.  
Running, running, running a muck.  
Ohh... Ohh...

Running, running, running a muck.  
Running, running, running a muck.  
Running, running, running a muck.  
Ohh... Ohh...

Got my bangles on and my rings.  
You can see me glow like bling bling.  
In the middle of the crowd, you can see me  
Gettin' down to the beat til my body's overworked  
I'm that chick that's lettin' her hair down.  
I'm that chick everyone wants to be around.  
If you don't like it, man stop hatin'!  
But if you like it, you know where I'm waitin'!

Don't wanna be good, cause I'm a be bad!  
I wanna let loose, don't wanna be sad!  
I don't care what people say cause I been workin' all  
day!

Running, running, running a muck.  
Running, running, running a muck.  
Running, running, running a muck.  
Ohh... Ohh...

Running, running, running a muck.  
Running, running, running a muck.  
Running, running, running a muck.  
Ohh... Ohh...

Sippin' on Redbull all through the night.  
Keepin' my energy levels tight.  
I'm gettin' on the table and baby you can watch me  
drop, low, low, low, low.  
Ay yay! Eh, eh. Ay yay! Eh, eh. Ay yay! Eh, eh.  
Ay yay!, Eh eh (I'm Running! )

Running, running, running a muck.  
Running, running, running a muck.  
Running, running, running a muck.  
Ohh... Ohh...

Running, running, running a muck.  
Running, running, running a muck.  
Running, running, running a muck.  
Ohh... Ohh...
