You're everything in my luv story
I never wanna be without you
What you've done to me babe
I'll always be in love with u, forever

I know that I made mistakes
All the days that I got you down
You stayed right here with me
And I don't deserve you
Thru out this time
I swear I never wanted to hurt you boy
I've realized I can't do without you

Hold me don't ever leave me lonely
Deatta hi kara kiseki no you ni slowly
One day at a time
Itsu datte yori sotte kureta
Baby just u and me

Arinomama no our story
Hajimete dakishimerareta
What you've done to me babe
Kimi ga soba ni ite kureta kara
Konna ni moroi jibun mo
Tsuyoku nareru
Your love has made me stronger now
Sono yuuki wo kureta kara

Ima made how many times
Namida miseta darou
You're always there for me
Kazoekirenai kurai ni
Every time you showed me a better way
Shinjiru chikara ni kawatte

Hold me don't ever leave me lonely
Futari de ireba kiseki no you ni slowly
One day at a time
Itsu datte ai wo kureta yo ne
This love is all I need

Arinomama no our story

Hajimete dakishimerareta
What you've done to me babe
Kimi ga soba ni ite kureta kara
Konna ni moroi jibun mo
Tsuyoku nareru
Your love has made me stronger now
Sono yuuki wo kureta kara

When times are rough and complicated
Miushinatte mo
I will find my way
We will find our way
Mirai ga hikari dasu

Arinomama no our story
Hajimete dakishimerareta
What you've done to me babe
Kimi ga soba ni ite kureta kara
Konna ni moroi jibun mo
Tsuyoku nareru
Your love has made me stronger now
Sono yuuki wo kureta kara
