That this is just a ride and you aint try to sweat it, no

But you cut me so deep, cut, cut, cut, cut me so deep

A stranger You've become a stranger|
A stranger You've become a stranger You cut me so
deep, cut, cut, cut, cut me so deep
You cut me so deep, cut, cut, cut, cut me so deep
|You cut me so deep, cut, cut, cut, cut me so deep
See I try to, (try to), fix ya, (fix ya), but the damage is
beyond repair

Never thought you wouldn't want me there, the-there,
the-there
You've proved your point, (point) Okay I get it, (get it)
That this is just a ride and you aint try to sweat it, no
And yes Ill try, (try), try to forget it, (-get it)
But you cut me so deep, cut, cut, cut, cut me so deep

Chorus:

A stranger You've become a stranger
A stranger You've become a stranger
You cut me so deep, cut, cut, cut, cut me so deep (Hey

You cut me so deep, cut, cut, cut, cut me so deep
You cut me so deep, cut, cut, cut, cut me so deep

Colby O'Donis:

Everywhere I go, (go) Everything I see, (see)
Girl it reminds me of you and me
How I miss you so much, miss your touch
| Just only wish you could fall back in love ?
But I see that you're hurt, (hurt) | Seein you cry, (cry)

Breaks my bitty heart, breaks my bitty heart
Cannot deny, (-ny), aint gonna lie, (lie)
Breaks my bitty heart, breaks my bitty heart, (heart)
Now try to understand cause you got every man showin
him the things that I used to do ?
Not cool, not cool, cot cool
How would you like it if I did it to you?
And how girls say I've become a stranger
But really when you put our love on the hanger
I became a stranger
A stranger (Hey) You've become a stranger (Hey, hey)
(Hey, hey)
All my friends said, (ooh), he would tell, (ooh), me what
to do, (yeah), what to do, (yeah, hey, hey)
Now I know I never should've trusted, trust-trusted

Chorus:

A stranger You've become a stranger
A stranger You've become a stranger
You cut me so deep, cut, cut, cut, cut me so deep
You cut me so deep, cut, cut, cut, cut me so deep
You cut me so deep, cut, cut, cut, cut me so deep
