Here in this box contains the letters that you gave me  
Today would mark our break up anniversary  
Throw in the promise ring, pictures of you and me  
I'll let it go, let it go  
I'll keep the lock in the last draw of my dresser  
Hide it from myself and cover it with your sweater  
Since she's what you want to see  
You'll just do the same thing  
On that note

Boy you just another tear jerker, I swear it  
You're something like a sad song record playing  
But I'm not gonna cry forever  
You're not gonna matter after this song is done  
You're gonna regret this tear jerker  
I won't fall for you again  
Tear jerker, you can jerk  
But I'm not gonna cry forever  
You're not gonna matter after this song is done  
You're gonna regret this tear jerker

You left me in shock when I saw you two together  
It's piercing my heart and to you it doesn't matter  
Who knows how long you've been seeing her without  
mentioning  
Impostor, guess it's best that I dropped ya  
Your angel eyes covered up the real you, what a  
perfect disguise  
Better now I found out then let time go by  
And think we were fine would be make believe

Boy you just another tear jerker, I swear it  
You're something like a sad song record playing  
But I'm not gonna cry forever  
You're not gonna matter after this song is done  
You're gonna regret this tear jerker  
I won't fall for you again  
Tear jerker, you can jerk  
But I'm not gonna cry forever  
You're not gonna matter after this song is done  
You're gonna regret this tear jerker

Not even gonna curse ya  
I've been through even worser  
I'll make it alone moving forward with my life  
You're not worth getting worked up  
And there's no use in tryna get back to the basics  
You've lost all of my trust  
Guess I wasn't good enough  
I'm not tryna change you up  
I kept the picture  
You'll always be mr. tear jerker

I swear it  
You're something like a sad song record playing  
But I'm not gonna cry forever  
You're not gonna matter after this song is done  
You're gonna regret this tear jerker  
I won't fall for you again  
Tear jerker, you can jerk  
But I'm not gonna cry forever  
You're not gonna matter after this song is done  
You're gonna regret this tear jerker
