Verse One

Here in this box contains the letters that you gave me
today would mark our breakup anniversary throw in the
promise ring pictures of you and me I let go, let go I'll
keep it locked in the last drawer of my dresser hide it
from myself and cover it with your sweater since she's
what you want she'll see you'll just do the same thing
on that note

Chorus

Boy you just another tearjerker I swear it your
something like a sad slow record playin but i'm not
gonna cry forever your not gonna matter after this
song is done your gonna regret this tearjerker I won't
fall for you again tearjerker you'll get yours but i'm not
gonna cry forever your not gonna matter after this
song is done your gonna regret this tearjerker

Verse Two

Left me in shock when I saw you two together it's
piercing my heart and to you it doesn't matter who
knows how long you been seeing her without
mentioning your pass to her guess it's best that I
dropped ya your major lies covered up the real you
were a perfect disguise better now I found out then let
time go by didn't think we would find would be make

something like a sad slow record playin but im not
