You look hotter when you got me on your arm
Yeah I make you look hotter
But I am not your trophy girl

Checking on my shoes saying you like em
The way I wear my hair you say you like it
Saying all these things cause you think I like it
You think I am listening like I am a dumb chick
Who you think you are
Showing off to all your friends
Who you think you are
Cause when we are alone you don't care
You must be crazy trying to play me like...
Game over I am not your trophy girl
I am not your trophy girl you can't play me no
I am not your trophy girl you can't play me no
You look hotter when you got me on your arm
Yeah I make you look hotter
But I am not your trophy girl

You think you look to... I don't like it
Losing my popularity and I don't like it
I bet when I ignore you you won't like it
So every one about you you won't like it

Who you think you are
Showing off to all your friends
Who you think you are
Cause when we are alone you don't care
You must be crazy trying to play me like...
Game over I am not your trophy girl
I am not your trophy girl you can't play me no
I am not your trophy girl you can't play me no
You look hotter when you got me on your arm
Yeah I make you look hotter
But I am not your trophy girl

You are... player and not a quarter back
You try to play me but I ain't having that
You are... player and not a quarter back
You try to play me but I ain't having that

I am not your trophy girl you can't play me no
I am not your trophy girl you can't play me no
You look hotter when you got me on your arm
Yeah I make you look hotter
But I am not your trophy girl

I am not your trophy girl you can't play me no
I am not your trophy girl you can't play me no
I am not your trophy girl you can't play me no
I am not your trophy girl you can't play me no
