Same bed, but it feels just a little bit bigger now  
Our song on the radio, but it don't sound the same  
When our friends talk about me all it does is just tear  
me down  
Cause your heart breaks a little when you hear my  
name  
It all just sounds like uh, uh, uh, uh  
Uh, too young, too dumb to realize

Chorus:

That you should have bought me flowers and held my  
hand  
Should have given you all the hours when you had the  
chance  
Take me to every party, cause all I wanted to do is  
dance  
Now your baby is dancing, yeah I'm dancing with  
another man!

Your pride, your ego, your needs and your selfish ways  
Caused a good strong woman like me to walk out your  
life  
No, you never, never get to clean up the mess you  
made  
And it hurts every time you close your eyes!  
It all just sounds like uh, uh, uh, uh  
Uh, too young, too dumb to realize

Chorus:

That you should have bought me flowers and held my  
hand  
Should have given you all the hours when you had the  
chance  
Take me to every party, cause all I wanted to do is  
dance  
Now your baby is dancing, yeah I'm dancing with  
another man!

Although it hurts to be the first to say that  
You was wrong!  
Oh, you're really are much too late

To try and apologize for your mistakes  
But I just want you to know

Chorus:

That you should have bought me flowers and held my  
hand

Should have given you all the hours when you had the  
chance

Take me to every party, cause you remembered how  
much I loved to dance

Do all the things I should have done when I was your  
girl!

Do all the things I should have done when I was your  
girl!
